

DECLARATION OVER MY CITY

We decree the following, and it is established according to Job22:28:

My city is beloved by God. It is a city not forsaken. It is a city not despised. It is a crown of glory in the hand of the Lord, and a royal diadem in the hand of our God. My city is no more termed Forsaken, neither shall your land be any more termed Desolate; but you shall be called a delightful city, a city walking in the dominion of our great God, for the Lord delights in you. You are no longer orphaned, but you are adopted by Father God.

As a young man marries a virgin, so shall your citizens marry you; and as a bridegroom rejoices over his bride, so shall your God rejoice over you. Our God has set watchmen around you, who shall not hold their peace day or night; we will make mention of your name in prayer before the Lord, and we will not be silent.

No weapon formed against this great city shall prosper, and every tongue that rises up in judgment against you, shall be condemned. You are a redeemed city, and this is your heritage, and your righteousness comes from the Lord. All your citizens shall be taught of the Lord and great shall be the peace of your citizens! You shall be established in righteousness; you shall be far from oppression, and fear shall not enter your gates, neither shall terror come near you. Every evil force that comes against you shall fall. For the Son of God, Jesus Christ has been manifested to destroy every work of the enemy that can ever come against you. For greater is Jesus Christ, the Redeemer, Owner and Sustainer of my city, than the devil that is in the world.

Today, we invite the Captain of the Lord's army to administer the affairs of this city; to fight every battle over this city; to vanquish every foe that would fight against this city and by faith we declare victory over every enemy, seen and unseen, present and future, in Jesus name.

We declare you a holy city; a righteous city; a redeemed city; this day we reclaim you out of the hand of the enemy. We further declare that the kingdom of God has come to this city, and the will of God will be done in this city, as it is being done in heaven. We declare the Lordship of Jesus Christ over this great city .
