DECLARATION OVER THE CITY OF ST. PETERSBURG

We decree the following, and it is established according to Job22:28:

St. Petersburg is a city beloved by God. It is a city not forsaken. It is a city not despised. It is a crown of glory in the hand of the Lord, and a royal diadem in the hand of our God. St. Petersburg is no more termed Forsaken, neither shall your land be any more termed Desolate; but you shall be called a delightful city, a city walking in the dominion of our great God, for the Lord delights in you. You are no longer orphaned, but you are adopted by Father God. As a young man marries a virgin, so shall your citizens marry you; and as a bridegroom rejoices over his bride, so shall your God rejoice over you. Our God has set watchmen around you, who shall not hold their peace day or night; we will make mention of your name in prayer before the Lord, and we will not be silent. No weapon formed against this great city shall prosper, and every tongue that rises up in judgment against you, shall be condemned. You are a redeemed city, and this is your heritage, and your righteousness comes from the Lord. All your citizens shall be taught of the Lord and great shall be the peace of your citizens! You shall be established in righteousness; you shall be far from oppression, and fear shall not enter your gates, neither shall terror come near you. Every evil force that comes against you shall fall. For the Son of God, Jesus Christ has been manifested to destroy every work of the enemy that can ever come against you. For greater is Jesus Christ, the Redeemer, Owner and Sustainer of St. Petersburg, than the devil that is in the world.
